

Discover a World-Class Education with

REAP K12 Schools

General Education Online

Currently available for grades K-4.

REAP K12 Schools provides a world-class, flexible, and accessible education tailored to meet the needs of students worldwide. With four distinct delivery models, we bring excellence and opportunity to every learner.

In partnership with an American College, this model is designed to provide students with a comprehensive online learning experience through an American International School, offering K-12 courses and college-level programs.

Benefits of Online Education

FLEXIBLE LEARNING

Pre-recorded expert-led lessons allow students to complete coursework at their own pace.

ENGAGING VIDEO LESSONS

High-quality video classes make education clear, accessible, and engaging for students worldwide.

NO CLASSROOM NEEDED

Students can study from anywhere and at any time, reducing the cost of education for schools and independent learners.

ACADEMIC EXCELLENCE

Curriculum covers core subjects like Math, Science and Humanities, and is aligned with international standards for academic excellence.

REQUIREMENTS

Hi-speed internet connectivity is required to complete online coursework. Students must also purchase assigned workbooks that assist with the instruction.
